

Your animal: _____

Your name: _____

Australian Animals are Amazing! Step Two

Step Two: You've done your research, now answer these ten questions before you start writing.

1. What does your animal look like?	2. Where do they live?	3. Do they live in a family?	4. What do they eat?	5. What is their environment like?
6. How do they stay safe?	7. Are they young, female or male?	8. Are there humans nearby?	9. How long does your narrative cover? A day? A night? A season? A year?	10. What do they want?

Now sit on their shoulder and draft their tale! Have fun!
